

Irish Laser Association

Details of the 2015 PROVINCIAL & MASTERS Championships also

Notice of Race (see below)

NOTE

ALL EVENTS

ONLY those who have pre-entered for the event will be permitted to register on Friday evening (between 19:00 and 20:00 only). An email will be sent to those eligible. Further registration for this group will be available on Saturday morning.

Registration for those who have NOT pre-entered will take place on Saturday morning up to the limit set in conjunction with the Club.

Competitors are advised to read paragraph 8 of the Notice of Race (below) and pre-enter so that they do not make a journey to an event, only to discover that entries have closed.

NEW - Members at the 2013 AGM voted to increase the Gross Entry Fees and the Discounts for each of the future events. This was done in an attempt to encourage sailors to enter early for events (so that Clubs knew what numbers to expect) and to make it more attractive for them to do so.

NOTICE OF RACE FOR THE PROVINCIAL & MASTERS CHAMPIONSHIPS

1. This Notice of Race shall apply to all the events shown in the section above. It shall be read in conjunction with the individual event details printed above and those details shall form part of this Notice.
2. The Organising Authority is the appropriate host Club in conjunction with the Irish Laser Association.
3. Racing shall be governed by the Rules as defined in the current ISAF Racing Rules of Sailing (RRS) and the prescriptions of the Irish Sailing Association
4. Lasers using the Standard, Radial or 4.7 Rig are entitled to compete except where otherwise stated. Entrants for the Irish Masters Championship shall be aged at least 35 on the first day of the event.
5. Boats shall use their correct sail numbers in accordance with the ILCA Rules and RRS Appendix G.
6. Early entry, at the discounted rate, may be made online through the Irish Laser Association website (www.laser-ireland.com) and payment must be made at the time of Entry. Any competitor who is a minor will NOT be permitted to compete until a Consent Form is signed by a responsible adult. This may be done during the Registration procedure immediately before the appropriate event. (Note: The Consent Form contains the same Declaration as is shown on the downloadable Entry Form and if the responsible adult will not be present during Registration then a properly signed Declaration on the Entry Form must be presented.)
7. Alternatively, early entry may be made on the appropriate paper form (downloadable from the Class website) and a discount is applicable if the completed form and full payment is posted to the Hon. Secretary (Ron Hutchieson) at least eight days prior to the appropriate event. Entry forms post-marked after that date will not be eligible for the discount and if a form is not available during registration the sailor will be required to complete a new form and make a new payment. (If the original form subsequently materialises a refund will be made.)
8. All those who have pre-entered for the event will be accepted (subject to RRS 76) but some further entries may be accepted immediately prior to the first race or during the event (no discount applicable). **These 'extra' entrants (if any are permitted) will only be accepted up to a predetermined maximum number. This number depends on the number of boats pre-entered as well as the current and expected wind and weather conditions.** As all sailors have been given the opportunity to pre-enter (and so be virtually guaranteed acceptance) there will be no refunds for travelling expenses, accommodation costs or any other expenses.
9. Registration will commence at 09.00 hrs. on Saturday and a briefing will be held at the time stated in the details above.
Those competitors who have pre-entered at the discounted rate are entitled to register ahead of anyone who has not.
They should make themselves known so that they receive preferential treatment on Saturday morning.

10. There will be a short registration session on the Friday evening immediately prior to each of the events and this will commence at 19:00 and terminate at 20:00 (PROMPT) **BUT ONLY those who have pre-entered for the respective event will be eligible to register at that time.**
At the start of the week immediately prior to an event an e-mail will be sent to everyone who has pre-entered and provided an e-mail address on their Entry Form. This e-mail will advise those eligible of the location of the short registration session **for them** on Friday evening.
11. In accordance with the Rules of the ILCA, all competitors shall be members of the Irish Laser Assoc. (if appropriate) or another Laser District Association (proof required). Eligible sailors may join, electronically, through the ILA's website but this facility will be withdrawn during the last week prior to each championship. The facility will be re-instated after the event has taken place. Facilities for joining (on paper forms) will be available at registration at no extra charge. See fuller details on "Events" page of ILA website.(www.laser-ireland.com).
12. Sailing Instructions will be available at registration.
13. The courses will normally be Inner/Outer loop type but triangular type courses may be used under certain circumstances.
14. The first Warning Signal for the first race at each of the events will be made at 11.25 hrs. on the first day of the event and 3 races per day are scheduled (6 races total). If three or fewer races are sailed all shall be counted.

NOTE :

The Notice of Race for the National Championships will be posted separately.
